MONUMENTS WE MAKE

Kattima manufactures a wide range of granite monuments. From markers to uprights with bases, slants to bevels to sculpture specials and benches, 4 niche columbariums, we do it all.

We also accept orders against tech or CAD drawings as well.

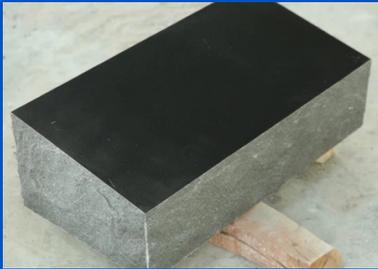

**Uprights with
Bases**

Slants

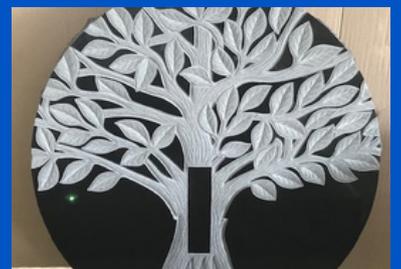

Flat Markers

Bevels

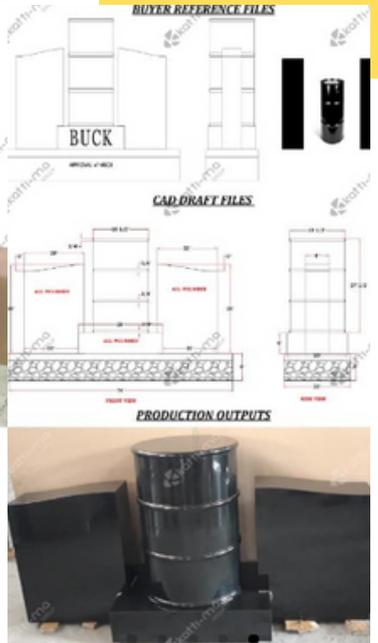

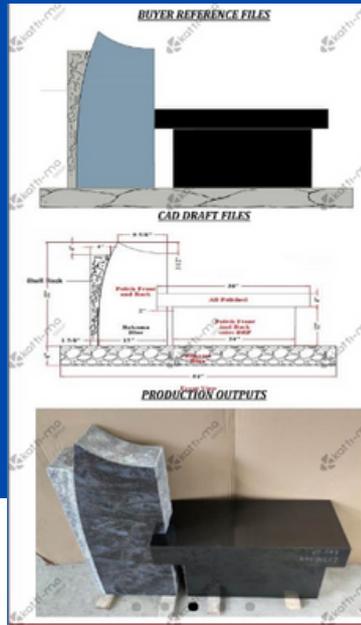

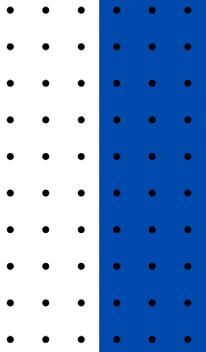

**Benches /
Monubenches**

Specials

Small Columbariums

ORDERS AGAINST TECH DRAWINGS

- Customer submits reference monument picture or drawing
- Kattima's production team creates a tech drawing and sends it to customer for approval
- Customer approves tech drawing
- Kattima brings tech drawing to life in the form of a beautiful custom monument

OUR GRANITE COLORS

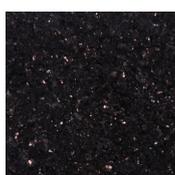

Kattima offers 26 granite colors to its customers. From Indian favorites such as India Black, India Red, Bahama Blue and Paradiso, our customers also have a keen interest in our greys and American & Canadian granite lookalikes such as Indian Mahogany, Supreme Pink & more. We also offer imported colors in Blue Pearl, Emerald Pearl and SADG.

ABOUT KATTIMA GROUP

Open Cast Quarrying

Besides owning a monument manufacturing factory, Kattima Group also owns several quarries through open cast mining operations that began in 2009, giving us access to excellent quality granite as a raw material.

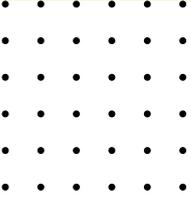

Rough Block Exporters

Kattima is one of India's leading rough block exporters to China & Europe. We also export monument granite rough blocks to special project customers in the USA & Canada

Japanese Quality Control Protocols

Kattima first entered the monument business through a joint-venture with a Japanese company in the late 90's, with an unforgiving emphasis on quality control, to serve the revered Japanese monument market. To this day, Kattima adheres to these same stringent Japanese protocols, to serve its USA & Canada customers
